

# Arun S Nair

MERN STACK DEVELOPER

## SUMMARY

Motivated MERN Stack Developer with a strong foundation in backend development, MongoDB integration, and React-based UI design. Passionate about building scalable, user-friendly applications and continuously learning new technologies. Seeking an opportunity to contribute technical expertise and problem-solving abilities in a dynamic development team.

## PROJECTS

### E-commerce website

Designed a fully functional e-commerce site with product listings, cart, and checkout functionality

### Book Library

A full-stack web application to manage a personal book collection. Users can add, update, delete, and mark books as read or unread.

### Hospital & Travel Website

Built a static website using the MERN stack with a responsive and modern UI.

### Food Shopping

Developed a responsive static website using HTML, CSS, and Bootstrap
